sunrise
on a brick and glass arena
and all its college people
we call Xavier
shading in the possibilities
always with us
always challenging ...

this year
of coeds and moratoriums
ironing out old wrinkles
setting down new plans
questions and answers
Xavier begins again
to realize its potential
for affecting the community
to focus beyond ...

now more than ever
we belong to a community
much larger than a campus
a community alive
with bookshelves and streetfights alike
demanding involvement
with all our brothers
the response
the saying yes to poverty and politics
problems of today
we cannot pass so quickly
keep us from leaping
to tomorrow
participation threatens
at every turning
we must respond

we are to make of it
what recognitions we can
what response ...

Preparations Complete

Ideas on paper,
Slowly transformed, through weeks of
Hard work and patience, into
Three-dimensional floats.
Dedicated artists putting the final touches
On their wood-and-paper masterpieces
With but one more day to go.
Then that evening — opening the
Festive weekend — THE ASSOCIATION:
Fascinating the audience with their
Fluently-polished, electrified music —
Time — quickly transient.

**Mirth
Charm
Excitement**

Vivacious beauties vying for student support;
Each trying to make a better impression;
Wondering who will be the one
To assume the title.

The beginning of the homecoming game:
Attended with exuberant onlookers
Anxiously contemplating the possibility
Of an XU victory.

Halftime — Many eyes behold the
Spectacle of colorful floats, the
Fulfillment of weeks of toil, and to
Climax the annual ceremonies, the crowning of
The Homecoming Queen of 1969.

Setback Disappoints

Xavier vs. Villanova —

Saturday afternoon: many optimistic fans —

Hoping for a homecoming victory

To crown the events of the weekend;

Hoping for a more-than-average game

To help a less-than-average season;

Hoping that just a little better strategy

Will win out — but vain expectations.

Finally, that night,

A Farewell to the weekend:

ORPHEUS — providing its eastcoast sounds

For Homecoming '69.

Junior Prom

The Inevitable

Maureen Heffron: an honored queen

Military Ball

Moratorium

A confused American people —
Some seemingly confident,
Some doubtful ...

Many, young and old,
Critical of a war too overdrawn —
All holding a sincere regret, however hidden —
Seeking an answer amid the confusion
An apparent stalemate, no end in sight ...

October 15 — A day set aside
To sense the many aspects of Vietnam;
To try to dispel the confusion
And reach beyond personal prejudices
Toward a better understanding.

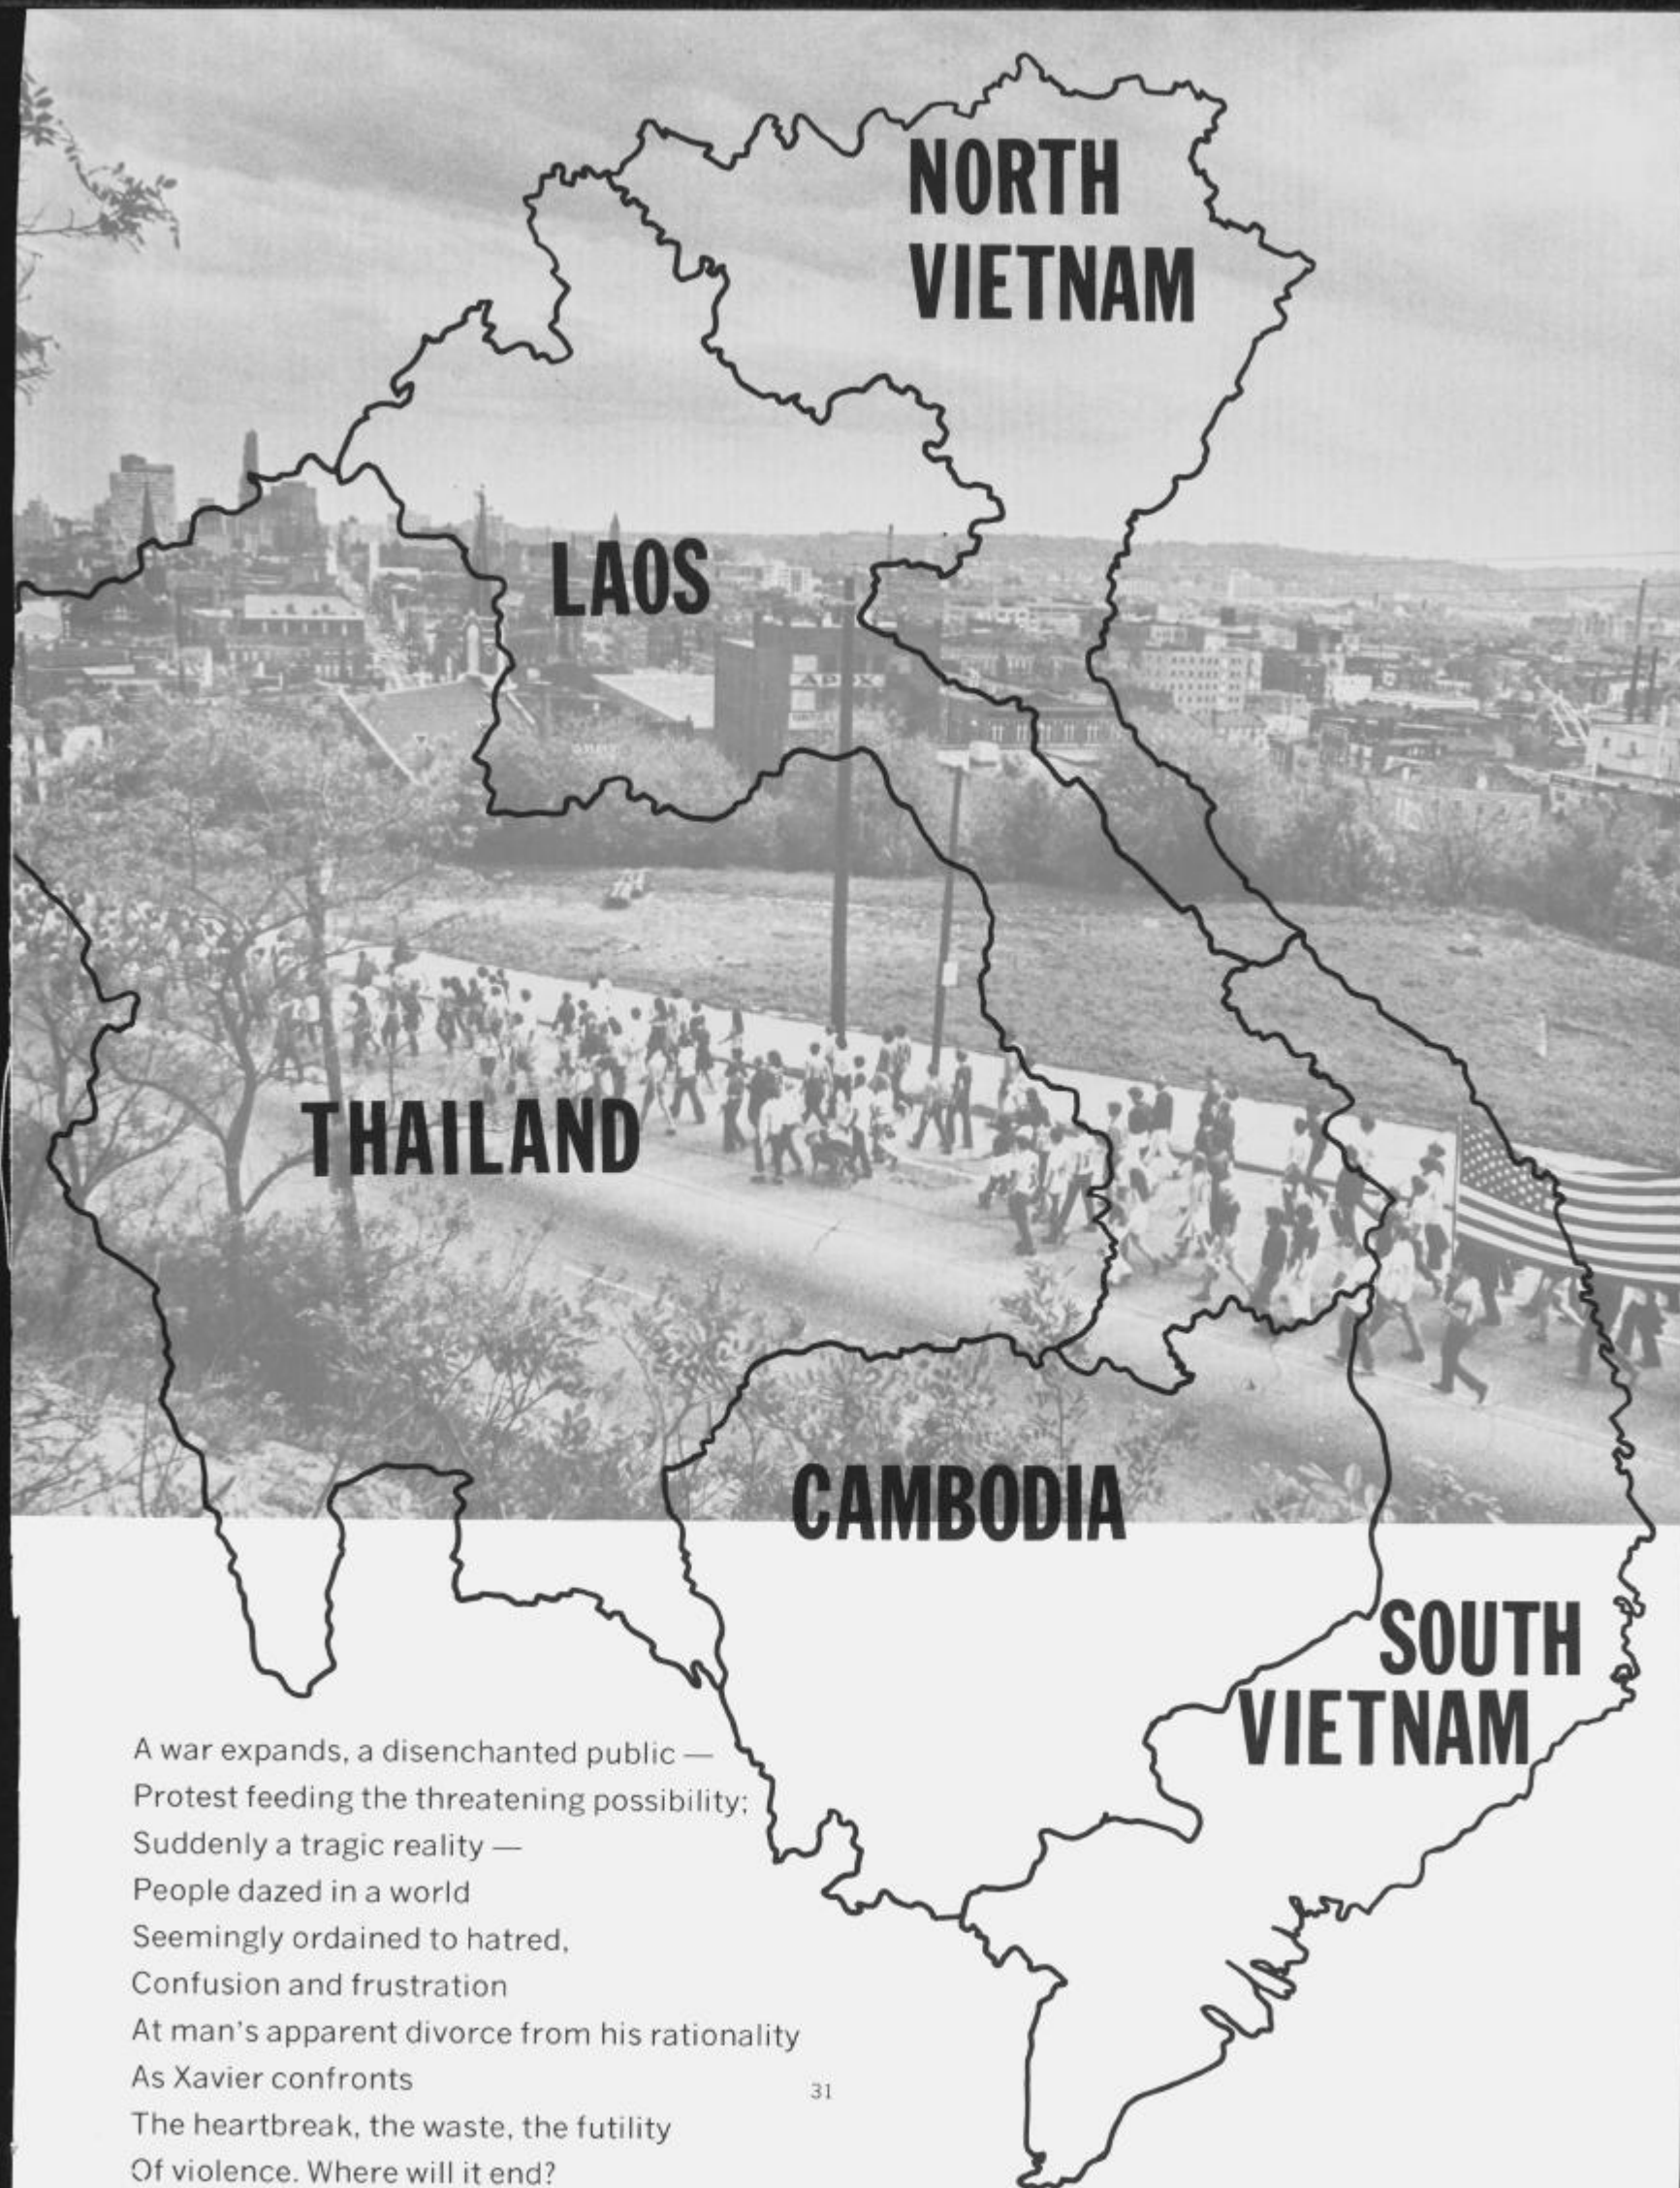

The Grind

Stunned Reactions

**NORTH
VIETNAM**

LAOS

THAILAND

CAMBODIA

**SOUTH
VIETNAM**

A war expands, a disenchanted public —
Protest feeding the threatening possibility;
Suddenly a tragic reality —
People dazed in a world
Seemingly ordained to hatred,
Confusion and frustration
At man's apparent divorce from his rationality
As Xavier confronts
The heartbreak, the waste, the futility
Of violence. Where will it end?

Greek Week

Hearts pounding madly,
Muscles throbbing in unison —
A little more endurance
Combined with speed and agility.
Floor against floor,
Dorm against dorm,
And final victory for Kuhlman Hall.
Greek Week — a test of strength
And skill, in a spirit
Of unity and friendship.

Earth Day

Mankind —
Overusing, Upsetting, Destroying;
Poisoning the air he must breathe,
The water he must drink,
And the land where he must live
With his own carelessness —
Disturbing the natural order
Which has served him so well:

Earth Day — Xavier views
Heedless man — Taking a step
Towards understanding, and
A stride to a constructive commitment.

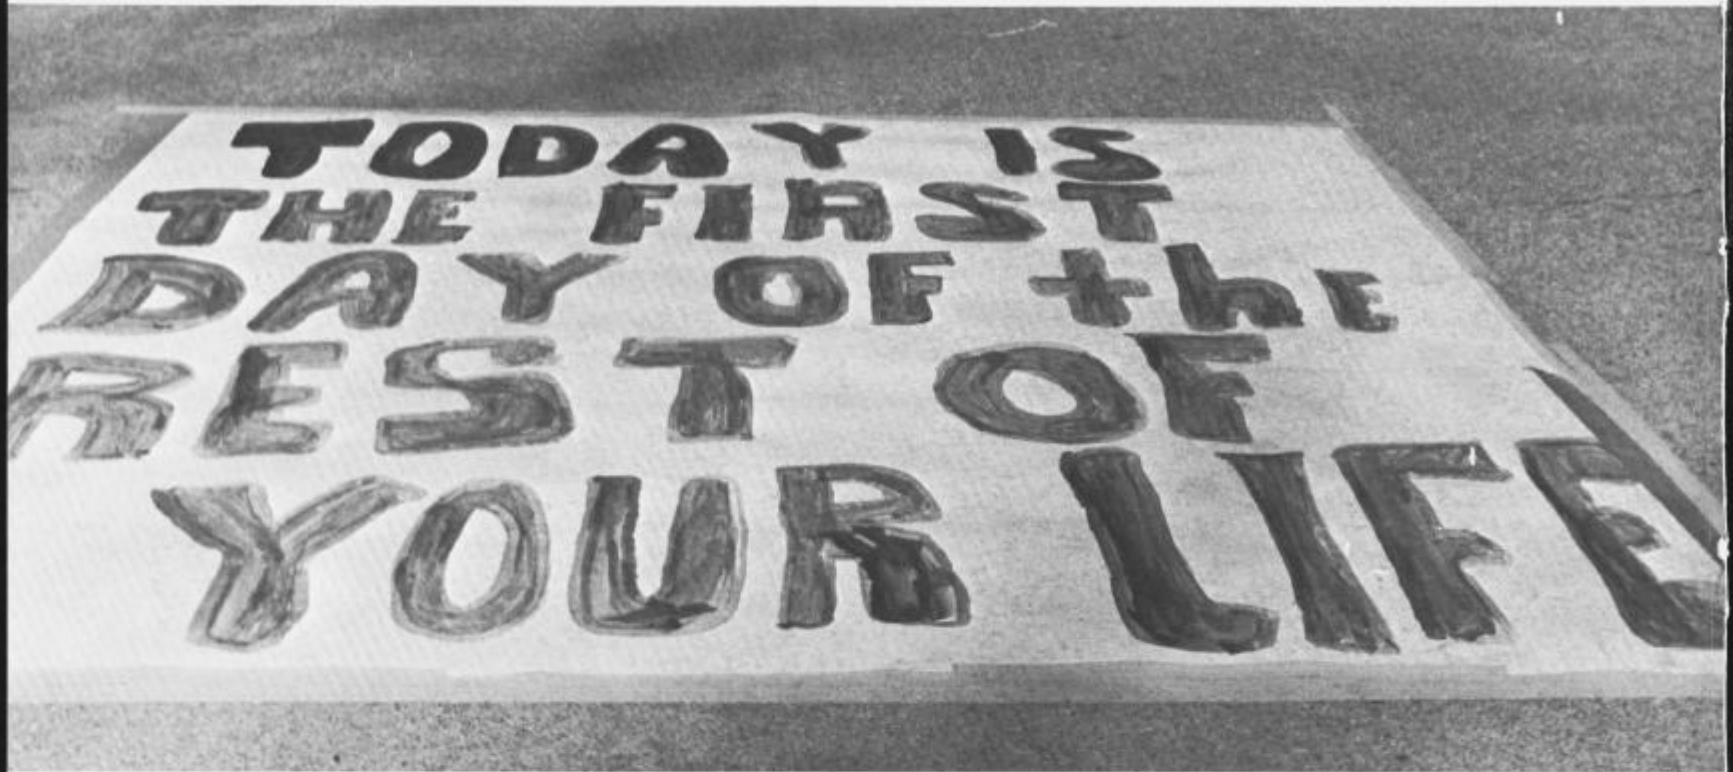

The 180 routine days —
So much to do;
Our motivation falling short,
Experiences so memorable, so transient.
Challenges, enjoyments,
Just plain living.
A worry, a laugh,
A cry spaced throughout.
The days end;
The life is part of us.

The Final Steps

At the graduation assembly
Thoughts wandering —
Four years came and went
What did we accomplish?
What can we achieve?
How shall we answer?
We cannot reply
No, not yet —
Dreams must cease,
Reality must begin

Graduation

The future has yet to come —
 Graduation is only a means
 To the solution of the riddles
 Which are confronting us;
 Now we are ready,
 Soon we will try —
 Diplomas are presented.
 Nothing is over,
 This is just a beginning

Sports

Football

The football season —
A new coach
Key injuries and position changes
Countless penalties and fumbles
Bad bounces
That elusive touchdown
Resulting in a dismal 1-9 record
Despite one of the nation's best pass defense . . .

The season opener —
Versus ever-powerful Miami at Oxford
A resounding 37-7 defeat;
A second setback on the road —
As the Muskies fall to Buffalo
As Coach Etler searches
For that first victory . . .

Mid-air collision as Tony DeVecchio attempted to block a Toledo punt

The home opener — where tempers flare
 A loss to Kent State, 23-7;
 The annual intra-city rivalry —
 Penalties propelling UC to victory
 In the last two minutes, 17-14;
 A trip to Athens —
 Ohio University keeps Xavier winless
 The Bobcats winning, 31-6;
 Trick plays and loyal fans support
 That elusive victory still unfound
 As Villanova hands Xavier a Homecoming defeat;
 Next in line — the Dayton Flyers
 As the rain came down
 Dayton overpowering the Muskies
 To hand them another defeat —
 The sixth loss of the season . . .

Victory at last —

The victims being the Quantico Marines

With Ivy Williams' kickoff return providing the margin;

Tangerine Bowl-bound Toledo tamed for a half

The Rockets exploding for four touchdowns

Giving the Muskies a 35-0 trouncing;

The season's end at El Paso

As the Muskies miss again

Losing to Texas, 17-10,

Bringing the long season to a close . . .

Basketball

The 50th Anniversary of Xavier Basketball —
Lacking a needed big man
Missing the rebounds
Time running out too soon
The ball not falling through the hoop
A five-and-twenty record
Under the helm of a disappointed
George Krajack . . .

The season opener —
 An upset by cross-river foe Thomas More;
 Powerful St. Joe's and St. Bonaventure —
 Both have a hard time defeating the Muskies;
 A loss in the final seconds
 To small-college power Hanover;
 Old Dominion hands Xavier another setback —
 Five straight now;
 The first victory — the Marshall Invitational
 Sophomores Helmers and Binegar start to shine
 A strong Oklahoma team takes the final;
 All-American Calvin Murphy's performance —
 Niagara barely edges the Muskies;
 Archrival Dayton soundly defeats Xavier;
 DePaul wins on a last-second shot;
 The Muskies lose by one to the Air Force

Coach Krajack thanking the fans for their loyal support

A victory at the expense of TCU;
 Detroit wins a close one at home;
 Marquette comes out the victors —
 In the waning minutes of play;
 A road defeat to Northern Illinois;
 The Muskies nip Detroit in a close rematch . . .

The Flyers bomb Xavier at Dayton;
 Highly-touted Bellarmine gets whipped —
 As Xavier piles up a season high of 98 points;
 Two in a row —
 As Canisius is defeated;
 NCAA-bound Villanova stops the winning streak . . .

The yearly UC contest at the Gardens —

The Musketeers' rally falls short

The Bearcats surge to victory;

Miami gives Xavier a seven-point setback;

Al McGuire's Warriors defeat Xavier again;

At Pittsburgh Duquesne romps;

In the last game Miami again edges the Muskies

Leaving the Muskies

With a disheartening 5-20 record ...

Golf

Starting the season off
With a victory over Thomas More,
Coach Ray Baldwin's linksmen
Ran up a 6-3 halfway record
Before being brought to a halt;
Then the season's end —
Beaten twice by UC —
Resulting in an 8-9 record

Pershing Rifles

Company G-1 —
 Displaying excellence
 In drill and leadership,
 Journeying around the country,
 Competing in close order drill;
 The Queen City Invitational Drill Meet —
 Co-sponsor with the University of Cincinnati —
 A victory for Xavier over UC;
 The flashiness of the Exhibition teams,
 The preciseness of the individuals,
 Color Guards, staff work —
 All contributing to the outcome . . .

Tennis

After two initial defeats
 Xavier made a comeback,
 Winning five in a row —
 Including two victories over Dayton;
 In the end Xavier's racketeers,
 With Jim Brockoff as coach,
 Although slowed down a little,
 Turned in a successful season,
 With a 10-4 record

Baseball

A slow start
Sore arms
Twisted ankles
Costly mistakes
All affecting the final performance
Of the Muskie nine;
Losing five of six in the beginning —
Mental errors
Inconsistent hitting and pitching
Deterring those hoped-for victories
As the season neared its end ...

Sailing Club

The soothing wind blowing
Across the billowing water;
The season's climax —
An eighth-place finish
In the Annual Ohio State Spring Regatta;
Overall Xavier's sailors,
Under the coaching of Tom Grogan,
Breezed to an impressive finish . . .

Intramurals

Football, basketball,
Soccer, baseball,
And many more ...
An opportunity
For amateur athletes
To display their skills —
A relief from studies
And fun for all ...

Reverend Patrick H. Ratterman, S. J., came to Xavier during the school year of 1952-53 after completing his studies at Loyola University. He was appointed Dean of Men and remained in that capacity until April of 1966, at which time he was promoted to Vice-President, Student Affairs.

The changing times of the Fifties and Sixties, in which he was involved, brought with it a social revolution on college campuses. Attempting to preserve some traditions of the past while opening the way to change, he walked a tightrope in trying to secure the needs of the student body. Striving to realize this goal among the changing social forms, he leaned toward the mature student for the answer. He also has a high regard for Church-oriented education, realizing that high personal ideals and social goals associated with education are not alien to contemporary student needs.

This past year Father Ratterman announced his resignation. In appreciation of his many years of service and dedication to the Xavier community, this book is published in his honor.

a paper due tomorrow
Friday night's dance

this and much more —
now a part of the past ...

although another year has passed
Xavier has not been only
a year shelter for our youth
Xavier has presented us with
a better understanding
a new sense of responsibility
a different outlook
a renewed hope for the future —

that which we have learned
now a part of us
will always be there
influencing our every decision
motivating our every action ...

now we stand
one step closer to manhood
becoming involved
accepting the challenge
to work — not for ourselves
but for the welfare of others

Artesian Spring Water... Makes The Difference

Artesian Spring Water . . . the perfect brewing water . . . this is the water used to brew Burger.

Artesian water assures superb quality and consistency of flavor that are characteristics of every great beer. For centuries breweries the world over have searched for and used natural brewing waters.

Try a bottle or can of Burger and taste the difference. You never had it so smooth.

Hey Graduate! Feel like swinging to the end of that rainbow? Put a little soul in that pot of gold with the crisp taste of Coca-Cola. That top-o'-the world, turned on feeling goes even better with Coke!
